

ENTRÉE INTO HOLISTIC AI STRATEGY

AI Readiness Engagement One Day Workshop

AI Strategy Alignment

- Quick assessment of your organizational goals and how AI can accelerate these objectives.
- Identification of a strategic AI opportunity that aligns with your business model and market demands.

Ethical AI Foundation Setup

- Overview of responsible AI principles and how to embed them into your AI strategy.
- Discussion on establishing ethical guidelines that ensure AI solutions are developed and deployed responsibly.

Current AI Maturity Evaluation

- Snapshot analysis of your existing technology infrastructure, data maturity, and workforce AI skill levels.
- Preliminary assessment highlighting strengths, opportunities, and areas for development.

Operational Impact Assessment

- Framework for mapping AI's potential impact on your operations and quick wins.
- Insight into operational areas that could benefit most from AI integration, optimization, and automation.

AI Vendor Considerations

- Introduction to our AI Vendor Selection Framework to guide future partnerships that align with your AI strategy.
- Key considerations for choosing AI vendors and partners based on innovation, ethical standards, and strategic alignment.

AI Roadmap Development

- Outline of actionable steps to take post-engagement towards developing a tailored AI strategy and roadmap.
- Recommendations for prioritizing AI initiatives based on feasibility, impact, and alignment with strategic goals.

AI Readiness Benefits

ALIGN AI INITIATIVES WITH BUSINESS GOALS

We ensure AI initiatives align with strategic goals, defining clear, actionable plans for measurable ROI and sustainable value.

ESTABLISH A RESPONSIBLE AI GROUNDWORK

We establish ethical AI practices, guiding data usage, bias-free algorithms, and accountability, fostering trust and protecting reputation.

IDENTIFY OPERATIONAL IMPACTS AND OPPORTUNITIES

We analyze operations to pinpoint areas for significant AI enhancements, optimizing tasks, supply chains, and customer data usage.

Our Firm

Acacia Advisors is a technology and business growth advisory firm with a powerful blend of strategy and execution capabilities, operating on an agnostic industry support model utilizing fit-for-purpose engagement models.

Our People

Acacia Advisors is led by experienced, innovative executives with decades of experience, the majority former CxO's. We adopt a partner-led model, providing non-prescriptive and practical solutions.

Our Values

- We **seek clarity** on objectives and goals.
- We **align our efforts** to these goals to realize outcomes.
- We value **expertise and experience** over slideware.
- We have a relentless focus on **client success**.
- We believe in **rapid and iterative** approaches to achieve success.

Our Services

Emphasizing practical experience and business value you can trust our differentiators when it comes to helping you make the right decisions and achieve the right outcomes.
